NEW MINE PARLEY PROMISES TO AVERT BIG BRITISH STRIKE

(Continued from First Page.)

then we should endeavor to arrive at

The miners' executive conferred for some time after the meeting with the owners and the Prime Minister At the conclusion of the miners meeting one of the miners' reprecentatives characterized the situa tion as more hopeful, saying he be-Beved there was no danger that a Triple Alliance strike would be be-

gun Tuesday night. It was understood that the mair conference was adjourned because the owners were not prepared to prement their contentions, so they were given until 4 P. M. for this purpose. Adoption of the Prime Minister's

proposal for the appointment of no gotiating committees will probably mean extended discussion between the two sides to the dispute. However, no time is to be lost, and it was expected this afternoon that the later session would be continued until mid-

Mr. Lloyd George's speech with which he prefaced his suggestions was essentially a recapitulation the circumstances of the whole dif-

ing profits, but a question of sharing

"The whole problem is, what can the industry hear for the moment; tenth game follows: how can it bear it; what is the be method of arriving at the figure can bear and what is the best med od of arriving at a permanent way adjusting the wages of the miners the capacity of the mines?"

We have definitely concluded to te could not recommend to Pari ant that we continue paying prof to the owners, and the owners to t men, from the general taxes of t

These proposals by the Premier, ss beped, will form the basis for successful reopening of the negoti tions. As given, they were summa ized by him when the conference a

In the House of Commons to-de W. E. Bridgman, Under Secretary the Board of Trade, speaking W regard to the coal mine stoppage, stated that forty coal pits, involving

stated that forty coal pits, involving 15,000 workers, had been completely flooded. It was impossible to forecast how many of these could be worked again, he said.

The week-end was free from violence but both sides continued their preparate its for the fight. Troop movements continued with large forces being sent into Wales and Scotland. The miners' agreement to mercul, numping of nits was believed permit pumping of pits was believed to have saved most of the mines from permanent damage. However, an

Many churches hedr special prayer

The strike, it was estimated, is cost ing Britain £15.590,000 (about \$60,000,000) weekly. The figures include the loss in coal and wages as well as ernment's expenses in prepar-

Strike Holds Up Former Imperator. gotta go. Word was received at the Cunard offices here to-day that the sailing of the Berengaria, formerly the Imperator. now at Southampton, has been indefi-nitely postponed because of the strike of the coal miners in England. The Beren-garia was scheduled to sail for New

CONTRACTOR OF THE PROPERTY OF

PELHAM BAY DELAY LAID TO R. R. STRIKE

Training Camp Can't Be Cleared of Lumber for Months, Says

The failure of the Navy Department to clear millions of feet of lumber and large quantities of drain pipes from the 457 acres of Pelham Bay Park occupied as a paval training camp during the strike to-day by Capt. Richard C. Hollyday, Aide for Public Works, at the Third Navai District Base, Third Aveoue and 19th Street, Brooklyn. Capt. Hollyday's explanation followed a state ent by Park Commissioner Joseph P Hennessey of the Bronx that he would seek to learn from the Navy Depart

ment the date on which the property would be restored to the city. months before the property can be cleared and the roads mended," said building materials from the Government resold them, but were unable to make deliveries because of the railroad strike

and many large orders were cancelled The portion of Pelham Bay Park oc rupled by the Government was a wilder-res, a swamp, when it was taken over When it is returned to the city ther-will be miles of new roads and the ob-roads will be in perfect repair.
